Rules and detailed information are available online at www.columbusyp.org/canstruction
Teams are responsible for purchasing or collecting all canned goods for their structure.
The structure must be self-supporting.

It starts with one can. To feed the hungry. To lift the spirit. To change the world. Canstruction®, a charity committed to ending hunger, is using 'one can' as a catalyst for change. Over 1 500 families access hunger relief programs through Love Chapel, Hope Food Bank, Salvation Army and Human Services.

Think you have what it takes to design and build a structure made of nothing more than canned food, ingenuity, and luck? Enter today. Get creative, help stop hunger. [one can.](http://onecan.org)
